🛠️ 3. Master Instruction Manual (How to use Admin)

📢 Notice Board (Important Announcements)
1. **Add New**: Go to **Notice Board** > **New Announcement**.
2. **Pin to Top**: Check the "Pin to Top" box for urgent news (like Holidays or Exams).
3. **Attachments**: You can upload a PDF Circular or an Image. These will show as "Download" buttons for students.

📰 News & Events (College Blog)
1. Navigate to **News Manager**.
2. Add a **Featured Image** (this shows at the top of the story).
3. Write the story details. These will appear in the "Recent News" scroller on the homepage.

🖼️ Photo Gallery
1. Go to **Gallery Manager**.
2. Upload images and select the correct **Category** (e.g., *Campus*, *Labs*, or *Events*).
3. Categorizing correctly ensures the "Filter" buttons on the Gallery page work.

👩‍🏫 Faculty Directory
1. Navigate to **Faculty Manager**.
2. Use this to add new teachers or update designations (e.g., if someone becomes an HOD).
3. Always provide the department name so students can filter by department.

🎓 Admissions (Lead Management)
1. Go to **Admissions Inquiry**.
2. You will see a list of all students who filled the "Join Us" form.
3. **Export to Excel**: Click the "Export" button to download the entire list as a spreadsheet for your office records.

⚠️ 4. Safety & Maintenance
- **Do NOT share Section 2 credentials** with anyone except the IT head or Principal.
- **Domain Renewal**: Ensure Hostinger is renewed before **April 22, 2027**.
- **Password Security**: It is recommended to change the Admin password (Section 1) every 6 months.
